# Balflex®

## INDUSTRIAL COUPLINGS CATALOG

Annual statics

### **European Technology**

Established since 1963, **Balflex**<sup>®</sup> is a European international group of companies dedicated to the design, production, assembly and distribution of all types of high-tech products for conduction of fluids, measuring of pressure and power transmission at very high quality level.

6 decades of know-how and expertise in this field, makes **Balflex**<sup>®</sup> the first choice for the mining, agriculture, off-shore and construction industries.

Today the **Balflex®** Group covers worldwide users through our own company's production facilities, branches and net of certified distributors.

**Balflex**<sup>®</sup> valorizes the inside meaning of the words we use: *Excellence* the quality of being outstanding; *Innovation* the action or process of innovating; *Partnership* cooperation relationship between two or more people, having in mind a common goal; *Tradition* way of thinking or acting, inherited from previous generations.

### Quality

Quality is very important for us. We have fully equipped, modern laboratories and equipment, employing the industries most experienced personnel.

**Balflex**<sup>®</sup> has earned various certifications for our Management Systems and Products. This reliable and consistent approach has allowed us to achieve our ISO 9001:2015 certification. At **Balflex**<sup>®</sup> quality and service always comes first. We are dedicated to continue the development of new products with a strong emphasis on quality.

### **Industrial Couplings**

**Balflex®** industrial couplings are designed for use with **Balflex®** industrial hoses.

The range of **Balflex®** industrial couplings is produced according to **Balflex®** and to other widespread industrial specifications. **Balflex®** has optimized the construction of these industrial couplings in order to assure top rated performance, reliability and economy.

The present catalogue comprises:		The <b>Balflex®</b> industrial couplings part code is composed of three groups of digits:

#### PRODUCTS LIMITED WARRANTY

The products sold by Balflex<sup>®</sup> are warranted to our customers to be free from defects in material and workmanship when shipment at Balflex<sup>®</sup> warehouses takes place.

All warranty claims shall be made present in writing to Balflex<sup>®</sup>. Balflex<sup>®</sup> liability hereunder is limited to the purchase price of the merchandise proving to be defective or, at balflex sole discretion, to the replacement of such merchandise upon its authorized return to Balflex<sup>®</sup>.

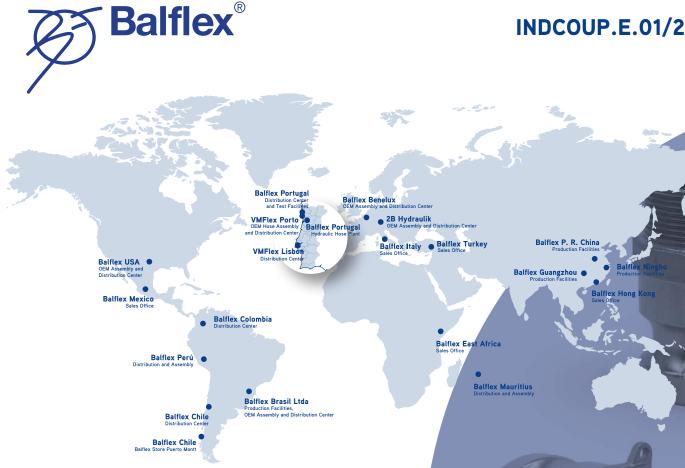

This warranty is in lieu of and excludes all other warranties, or conditions expressed, implied, statutory or otherwise created under applicable law including, but not limited to the warranty of merchantability and the warranty of fitness for a particular purpose.

In addition, this warranty shall not apply and will be null and void to any products or portions thereof that have been subject to abuse, misuse, improper installation, maintenance or operation, electrical failure or abnormal conditions and to products that have been tampered with, altered, modified, repaired, reworked by anyone not approved by balflex or used in any other manner inconsistent with any Balflex<sup>®</sup> instructions or specifications. Balflex<sup>®</sup> disclaims any liability for any hose assemblies which have not been produced with in conformance with Balflex<sup>®</sup> assembly recommendations and parts.

In no event shall balflex have any liability whatsoever to any person, including without limitation, any immediate buyer, purchaser or other third party, for any special, punitive, incidental or consequential damages, including without limitation, profit loss or customer loss, loss or damage to physical property of customer or any other person and loss of anticipated revenue, profits, goodwill, savings or other economic loss of customer or any other person.

Specification subject to change without prior notice. Errors and omission excluded.
